Increase in Property Income from Higher Rentals and Portfolio Occupancy

- Property Income for 9M 2023 increased 5.0% year-on-year due to higher rentals, increased portfolio occupancy and contribution from KR Ginza II
- 9M 2023 Distributable Income from Operations was lower due to increased borrowing costs, and higher property expenses mainly as a result of higher property tax and utility costs, offset partially by higher property income and rental support

⁽¹⁾ Property income relates to income from directly-held properties including Ocean Financial Centre, 50% interest in 8 Exhibition Street office building and 100% interest in the three adjacent retail units, 50% interest in Victoria Police Centre, Pinnacle Office Park, T Tower, Keppel Bay Tower and KR Ginza II after it was acquired on 30 Nov 2022.

⁽³⁾ Share of results of associates relates to Keppel REIT's one-third interests in One Raffles Quay and Marina Bay Financial Centre. The decrease is due mainly to higher borrowing costs.
